Keywords: Cosmic, Kryptonian, Legion of Doom

Special Powers

SKULL SHIP: A.I. OR SLAVED CIRCUIT?: When building your force: choose either the Skull Ship: Brainiac Integrated or Skull Ship: Slaved Circuits dial and the other is not used. You may pay an additional 25 points to use the Drone dial. The Tentacle dial is always used.

HOVER MODE: Skull Ship may occupy squares of different elevations.

PASSENGERS: 5

PILOT: THE MEAT INTERFACE IS MORE UNCOMFORTABLE: Prerequisite: Robot keyword. When Skull Ship would be dealt damage from the Colossal Stamina ability, roll a d6. On a result of 4-6, don't deal it the 1 unavoidable damage.

AUTOPILOT: This vehicle may be given actions without a pilot. When it doesn't have a pilot and an action resolves during which it made an attack deal it 1 unavoidable damage.

[TENTACLE DIAL] TENTACLE CLAWS: Give Skull Ship a power action and make a close combat attack targeting up to CLOSE number of characters within 3 squares and line of fire. Each hit character is dealt 3 damage.

[TENTACLE DIAL] TENTACLE BEAMS: Skull Ship has a number of "targets" equal to TARGETS.

[TENTACLE DIAL] TRY AND RIP OFF A TENTACLE!: When the click number of the Brainiac Integrated or Slaved Circuits dial is not within the range indicated by CLICK #, immediately turn the Tentacle dial until it is.

[DRONE DIAL] SPAWN OF BRAINIAC: Give Skull Ship a power action to place adjacent a Drone bystander token; if Skull Ship is an unpiloted vehicle, this is a double power action. For each opposing character Skull Ship damages with a close combat attack, after actions resolve place adjacent a Drone bystander token. You can't have more than 8 of its Drones on the map.

[DRONE DIAL] LINKING A.I. NODES: Drones have the combat values and possess the standard powers indicated on the Drone dial. When Skull Ship is KO'd, KO all of its Drones. After any action resolves, turn the Drone dial to a click number equal to the number of its Drones on the map. This ability can't be ignored.
